**OFFICE OF PETITIONS  
A/C PATENTS**

In re Application of  
Jeffrey B. Thompson  
Application No. 09/628,919  
Filed: July 31, 2000  
Attorney Docket No. COCR.35US01

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed May 14, 2001, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the Notice to File Missing Parts of Application (Notice) mailed September 13, 2000. The Notice set a period for reply of two (2) months from the mail date of the Notice. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned after midnight November 13, 2000.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. However, in accordance with 37 CFR 1.34(a), the signature of William W. Cochran II, appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts. However, if Mr. Cochran desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. A courtesy copy of this decision is being mailed to petitioner. Nevertheless, all future correspondence regarding this application file will be directed solely to the address of record until otherwise instructed.

An extension of time under 37 CFR 1.136 must be filed prior to the expiration of the maximum extendable period for reply. See In re Application of S., 8 USPQ2d 1630, 1631 (Comm'r Pats. 1988). Accordingly, since the \$1390.00 extension of time submitted with the petition on May 14, 2001 was subsequent to the maximum extendable period for reply, this fee is unnecessary and will be refunded by treasury check.

The application file is being forwarded to the Office of Initial Patent Examination for further processing.

Telephone inquiries concerning this decision should be directed to Andrea Coram at (703) 308-6711.
